

What is a Tax Credit?

A Tax Credit allows an eligible homebuyer to receive a dollar for dollar reductions of their federal income tax on their mortgage loan.

How does it benefit you?

- You will receive a dollar for dollar tax credit which is applied on your Federal Income Tax Return.
- You can take advantage of the tax credit every year for the life of the original first mortgage.
- If you refinance, you are eligible to apply for a Reissued Mortgage.

Eligibility requirements

You qualify for a Tax Credit if all three of the following are met:

- You must be a First-time Homebuyer, which is defined as someone who has not had an ownership interest in a principal residence at any time during the past 3 years.
- The home you purchase will be your primary residence.
- Income Limit, depending on number of household occupants
1-2 person(s) \$95,160 \$95,160
3 or more \$109,434 \$111,020
- Purchase Price Limits
